Ah, in a perfect world yes.

We may need to get Samantha Dravis to the table at some point. She is not going to like being a back bencher even though she has no role.

No worries! (I won't take notes on my phone and be old school.)

I'm asking about when [REDACTED] is not there. I'll always be at the table when she isn't, but I'm asking if both of us should be there.

Where there is room, I think we should have someone from the Embassy at the table.
But, if at the table, do not have your cell phone out. This is a big pet peeve of the Administrator.

Hi Anna and Mark,

I'm listing myself as a back-bencher in the meetings where [REDACTED] is present. I'm wondering though, if I should seat myself at the table when there is room.
